

GBIF Voting Participants representing developing countries

For this purpose, developing countries are defined as countries whose per capita GDP was less than USD 13,500 according to the 2013 World Bank figures, the benchmark used to apply discounted contributions in the current GBIF funding period (2017-2022). See list of developing GBIF country members [here](#).

GBIF Voting Participants representing developing countries:

1. Benin
2. Brazil
3. Cameroon
4. Central African Republic
5. Costa Rica
6. Liberia
7. Madagascar
8. Malawi
9. Mauritania
10. Peru
11. Sierra Leone
12. South Africa
13. Togo
14. Tonga

Please note that in order to be eligible for partial funding for GB29, the Voting Participant must be in good standing in regard to their GBIF financial contribution.
